

Sue Carr endorses Sarah Smith

I am encouraging my Monona and Eastside neighbors to support Sarah Smith for re-election to the Dane County Board. I have gotten to know and respect Sarah over the last two years, and **I firmly believe she is the best candidate for the job.** Sarah works well with colleagues and other municipal elected officials in our community to achieve results. For example, Sarah successfully authored the \$2 million budget amendment to help the City of Monona purchase San Damiano. Sarah loves to hike, and she appreciates our lakes and natural environments and works hard to protect them. In addition, she is a fierce advocate for people experiencing homelessness, and was endorsed over her opponent by the Affordable Housing Action Alliance. **She is a smart, dedicated and conscientious public servant, and I am happy to support her.** I encourage you to find out more about my friend Sarah at sarahforcountyboard.com and then I urge you to vote for Sarah Smith on April 5th.
